## REPORT OF SCHOOL BOARD.

---

### *To the Citizens of Stoddard :*

We again present our annual report for the inspection and consideration of all who are interested in school affairs. We have maintained seventy-one weeks of school. We were especially fortunate this year in the choice of teachers, and we think them as competent and worthy as it is possible to hire for the small wage we pay. The schools in the three districts have been most satisfactorily conducted. Our teachers seemed to strive to keep in touch with the latest and best, and to do such work in the subjects pursued as would command the respect of experts in those subjects.

On the ethical side they tried to encourage a desire to be of service, and to reach out through the pupils to help to uplift the whole community.

We cannot be said to be up to the great changes which are being made in subject matter and the methods of presenting the same, but in bringing before you modern teachers we are trying to prepare for modern life. The only way to prepare for life is to live, and a modern school must be a school full of life. A live teacher must direct the activities of live children.

We do not feel it necessary to introduce the industrial side of education, for in Stoddard children are taught to work in the home. They may study Dame Nature, and we find some of the pupils very much interested and apt in so doing.

## SCHOOL NO. 1, (CENTRE).

The spring term was taught by Miss Gaylie W. Call of Acworth, who won the love and esteem of her pupils, and it was with much regret that she could not come back for the fall term.

The spring term consisted of 11 weeks. Whole number of pupils attending, 19. Number of visits by school board, 7, by parents, citizens and others, 31. Not absent or tardy, 7. Number of cases of tardiness, 5. Wages of teacher per month, including board, \$39.

## ROLL OF PERFECT ATTENDANCE.

Lizzie Wheeler, Ernest Lane, Marion Cutter, Alice Jennings, Daisy Jennings, Ruth Cutter, Albert Wheeler.

## SCHOOL NO. 1, (CENTRE).

The fall term was taught by Miss Lucy E. Benway of Lempster; she was an experienced teacher and one that took an interest in her pupils, and the children showed marked improvement, and it is for the interest of the children and parents as well, if they would see to it that their boys and girls attend school more regular, and not have so many instances of absence and tardiness.

The fall term was 14 weeks. Number of pupils, 19. Number of visits by school board, 7, by parents and others, 15. Not absent or tardy, 2; number of tardiness, 19. Wages of teacher per month, including board, \$32.

## ROLL OF PERFECT ATTENDANCE.

Lizzie Wheeler, Ruth Cutter.

## DISTRICT NO. 2.

The spring and fall terms were taught by Miss Maude H. Moody, who was a competent teacher and a conscien-

cious and earnest worker. The length of term was 11 week. Pupils, 7; boys, 5; girls, 2; tardiness, 13; visits of school board, 4; parents and others, 11. Wages of teacher per month, including board, \$22.

The length of fall term was 11 weeks. Pupils, 7; boys, 5; girls, 2; tardiness, 30; visits of school board, 8; parents and others, 12. Wages of teacher per month, including board, \$24.

The whole number of pupils studied reading, spelling, arithmetic, penmanship, geography, language, history and physiology.

---

#### DISTRICT NO. 3, (SOUTH STODDARD).

I can but feel gratified as a member of the school board, that our South Stoddard school has kept through the spring and fall terms with so much general good feeling among the parents of the scholars, for there has been no complaint or fault of any sort. We have certainly been very fortunate during the year in procuring proficient and able teachers for the amount of salary paid. The spring term was taught by Miss Grace E. Macker, who was beloved by all and especially the scholars, she was devout and painstaking, and I believe that the scholars advanced as much or more under her tuition than any previous teacher we have had. There were whole number of scholars, 7 boys, 7 girls.

#### ROLL OF PERFECT ATTENDANCE.

Eva Whippie, Ethel Whippie, Genevieve Kennett, Mildred Shoultz, Willie Sharon.

Branches taught: Reading, writing, arithmetic, spelling, geography, grammar, history, physiology. Length of school term 11 weeks. Wages of teacher, including board, \$9.75 per week.

The fall term was taught by Miss Bessie M. Bailey, a teacher of several years experience, who proved to be an

excellent disciplinarian and proficient and to the point in all branches of study, and the people will be fortunate if the school board can secure her services for future terms.

The fall term consisted of 13 weeks. Number of pupils, 21; boys, 12; girls, 9. Perfect roll of attendance, 3: Eva Whippie, Willie Sharon, Edgar Sharon. Visits by school board, 6; parents and others, 39. Wages including board, \$36 per month. Total for fall term, \$117. Roll of perfect attendance for the year, 2: Eva Whippie, Willie Sharon.

The money raised to repair the schoolhouses in District Nos. 1 and 3 has been expended. The decayed sill has been replaced by a new one, the interior has been cleaned, varnished and painted and presents a neat and attractive appearance as the parents and others who have visited the school can certainly testify. The general remark of the scholars was the schoolhouse never looked so nice before, and I say, keep your schoolrooms neat, attractive and sanitary and your children and mine will start to school more joyously, and in fact, it is an incentive for them to attend school. The money raised was not sufficient for finishing outside work, the paint was bought and awaits putting on.

Mr. Henry E. Messinger continued his services as truant officer.

Henry Spaulding was appointed agent to enumerate the number of school children in town during the month of September and reported 26 boys and 28 girls between the ages of 5 and 16 years.

The three children of Daniel E. Sweet attended school in Sullivan both spring and fall terms; tuition of \$69.00 has been paid.

One hundred dollars was laid out on repairs of inside of schoolhouses Nos. 1 and 3. The three schoolhouses need their exteriors painted and hope money will be raised for that purpose the coming year.

We thank you for your hearty co-operation and also for your generosity in appropriating much needed money.

Very respectfully submitted,

ELLA E. ABBOTT,  
WILLIAM E. SHARON,  
HENRY E. SPALDING,  
School Board of Stoddard.
